PRESENTATION OF ODESSA DELAWARE INSTITUTE

Odessa Delaware Institute has four schools

1. SCHOOL OF HEALTH SCIENCES
2. SCHOOL OF ENGINEERING
3. SCHOOL OF BUSINESS ADMINISTRATION AND MANAGEMENT
4. SCHOOL OF SCIENCES AND TECHNOLOGIES
5. SCHOOL OF MEDICINE

Odessa Delaware Institute (ODI) is a private institute is also regarded as a premier Institution in health sciences, Engineering and Management mainly because of its demand-driven health-related competency-based programmes and good track record of the graduates. Our Institute using bilingualism (French and English) as teaching language and it is an Open and Distance Learning Institute in Bachelor, Master and Doctorate. It is my pleasure to welcome you to this institute if you have already chosen to study here and encourage prospective candidates to make the necessary preparations that will enable them to make the right choice and join ODI in future.

I. BACHELOR'S PROGRAMMES

- (i) Diploma in Medical Laboratory Sciences (DMLS)
- (ii) Diploma in Environmental Health Sciences (DEHS)
- (iii) Diploma in Prosection (DP)
- (iv) Diploma in Diagnostic Radiography (DDR)
- (v) Diploma in Orthopaedic Technology (DOT)
- (vi) Diploma in Pharmaceutical Science (DPS)
- (vii) Diploma in Nursing (DN)

Advanced Diploma Programmes

ODESSA DELAWARE INSTITUTE

State of Delaware- Department of State Registration No 5743842

by Secretary of State, 16192 Coastal Highway, Lewes, DE 19958, Odessa

(USA) Web: www.odel.us, Email: info@odel.us, Phone: +12673561212

(i) Advanced Diploma in Nursing Education (ADNE)

(ii) Advanced Diploma in Dermatovenereology (ADDV)

(iii) Advanced Diploma in Medical Laboratory Sciences (ADMLS)

Bachelor of Medical Laboratory Sciences in Clinical Chemistry (BMLS Clin.Chem)

Bachelor of Medical Laboratory Sciences in Haematology and Blood Transfusion (BMLS Haem.BT)

Bachelor of Medical Laboratory Sciences in Histotechnology (BMLS Histotech.)

Bachelor of Medical Laboratory Sciences in Microbiology and Immunology (BMLS Micro.Immunol.)

Bachelor of Medical Laboratory Sciences in Parasitology and Medical Entomology (BMLS Para.Entomol.)

Bachelor of Science in Radiation Therapy Technology (BSc RTT)

Bachelor of medical Laboratory Sciences General Degree.

Bachelor of Pharmacy (B.Pharm)

Bachelor of Science in Nursing (BSc N)

Bachelor of Science in Nursing (Management) (BScN Management)

Bachelor of Science in Midwifery (BScM)

Bachelor in Civil and Building Engineering

Bachelor in Land surveying and architecture

Bachelor in Water and Sanitation Technology

Bachelor in Valuation and Property Management

Bachelor in Environmental Engineering and management

Bachelor in Electrical Engineering

Bachelor in Telecommunication Engineering

Bachelor in Business Administration

ODessa DELAWARE INSTITUTE

State of Delaware- Department of State Registration No 5743842

by Secretary of State, 16192 Coastal Highway, Lewes, DE 19958, Odessa

(USA) Web: www.odel.us, Email: info@odel.us, Phone: +12673561212

Bachelor in Finance

Bachelor in IT

Bachelor in Human Resource Management

II. MASTERS PROGRAMS

Masters of Science in Project Management

Masters of Business Administration

Masters of Science in Energy Technology

Masters of Science in Human Resource Management

Masters of Construction Project Management.

Masters of science in Agricultural and applied Economics .

Masters of Science in Software Engineering

Masters of Science in Computer Engineering

Masters of science in Applied Statistics.

Masters in Leadership and Governance

Masters of Science in Mass Communication

Masters of Science in Entrepreneurship

Masters of Science in Economics.

Masters of Science in Finance.

LLM

Masters of science in Public health.

Masters in Epidemiology

Masters International health

Masters of science in information Technology

Masters of science in Procurement and Logistics

Masters of Executive MBA

Masters of science in Development studies

ODESSA DELAWARE INSTITUTE

State of Delaware- Department of State Registration No 5743842

by Secretary of State, 16192 Coastal Highway, Lewes, DE 19958, Odessa

(USA) Web: www.odel.us, Email: info@odel.us, Phone: +12673561212

Masters of science in civil Engineering
Masters of Science in GIS & Remote Sensing
Masters in Construction technology and Management
Masters in Civil and Building Engineering
Masters in Water and Sanitation Technology
Masters in Transportation Engineering
Masters in Valuation and Property Management
Masters in Geotechnical Engineering
Masters in Structural Engineering
Masters in Environmental Engineering and management
Masters in Civil engineering and management
Masters in Bridges and highway engineering
Masters in Bio-medical engineering
Masters in Electrical Engineering
Masters in Electronics and Telecommunication Technology
Masters in Electromechanical Technology
Masters in Telecommunication Engineering
Masters in Land surveying and architecture
Masters in Automotive and power engineering
Masters in Air conditioning and Refrigeration Technology
Masters in Production Technology
Masters in Mechanical and manufacturing
Masters in Industrial Engineering and Management
Masters in ICT
Masters in Networking and multimedia
Masters in Computer Sciences and Engineering
Masters in Mining engineering

ODESSA DELAWARE INSTITUTE

State of Delaware- Department of State Registration No 5743842

by Secretary of State, 16192 Coastal Highway, Lewes, DE 19958, Odessa

(USA) Web: www.odel.us, Email: info@odel.us, Phone: +12673561212

Masters in Fashion Design

Masters in Chemical engineering

Masters in Film and Production

III. PHD PROGRAMS

PhD In Construction technology and Management

PhD In Civil and Building Engineering

PhD In Land surveying and architecture

PhD In Water and Sanitation Technology

PhD In Transportation Engineering

PhD In Valuation and Property Management

PhD In Geotechnical Engineering

PhD In Structural Engineering

PhD In Environmental Engineering and management

PhD In Civil engineering and management

PhD In Bridges and highway engineering

PhD In Bio-medical engineering

PhD In Electrical Engineering

PhD In Electronics and Telecommunication Technology

PhD In Electromechanical Technology

PhD In Telecommunication Engineering

PhD In Automotive and power engineering

PhD In Air conditioning and Refrigeration Technology

PhD In Production Technology

PhD In Mechanical and manufacturing

PhD In Industrial Engineering and Management

PhD In ICT

PhD In Networking and multimedia
